Project Proposal

Team Name: Mbouncy

Team Members:

  Captain: Mack Teng (mackt2)

  Member: HsinHsien Chung (hhc3)

Paper Chosen: A Cross-Collection Mixture Model for Comparative Text Mining

                (http://www.ifp.illinois.edu/~velivell/ctm4.pdf)

Programming Language: Python

Dataset: Not exactly the same as the original dataset, but we will crawl for/aggregate document collections in a similar fashion as described in the paper.
